Turned the air con off. God damn, who needs air con at 3am?

Nothing said applied to my current situation. And if I do need help, it won't be something I can wait for It would need to be immediate Sorry if that sounds impolite or ungrateful

Discharge system is a shambles. Waited 6 hours for tablets.

Officer collection on times. Healthcare staff say officers been to collect us and we refused, isn' the case, officer haven't turned up.

Perhaps more fresh fruit options at mealtimes, fruit bags a little boring!
