Topic 12

The care and quality of nursing was exemplary – the whole team was outstanding – you should be proud

- -

Delighted with the care that she receives from the Community Nursing Team and her GP. Says that the team and her GP are all lovely, splendid and exceedingly Good. Finding the ongoing Corona virus situation lonely. Support and encouragement given

- -

Both patient and his wife are very happy with the care that they have both received from the Community Nursing Team and say that they are all marvellous. Also happy with all other NHS services.

- -

Your team were very caring– I don't make a fuss, my aunt is a nurse and there were some patients who were aggressive. I'd call out ward F21– Jake is brill, Andrea is fantastic, Chris is a HA and cheered up so many people, Grace and Sandra were fab– and big shout out to Sean in catering and the tea and water lady!

- -

XXXX is very happy with the care that he receives from the Community Nursing Team and all other NHS services. Says that they are all brilliant and fantastic. Is very appreciative for all that we do for him.
